Fill A Bottle! Change A Life!

We have baby bottles to be filled with your loose change (or dollar bills/checks) to help the local Hope Pregnancy Center, one of our Outreach organizations.

The Bottle drive is from Mother's Day to Father's Day. See below for more information.

What is Baby Bottle Boomerang?

[Baby Bottle Boomerang](#) is an annual fundraiser that provides life-affirming services to those facing unplanned pregnancy. Last year, Church congregations around the Killeen, Temple, Copperas Cove communities were able to collect over \$55,000 in cash, checks and coins! Each donation helps to provide free pregnancy testing, ultrasounds, education, baby supplies AND the Good News of the Gospel to women and men in need of hope and healing.

How Does it Work?

Baby bottles are distributed to churches, schools, businesses, groups, and individuals from Mother's Day to Father's Day. Bottles can be filled with change, cash, and even checks! Now, individuals can [fill virtual baby bottles](#) to bless this ministry!

What Impact Can One Bottle Make?

Every little bit counts.

A gift of \$20 in silver coins provides pregnancy tests for 14 women in search of help and hope.

A gift of \$60 provides an ultrasound that allows a mom to see her baby for the first time and hear his or her heartbeat.
