The Outreach Auction team is looking for some help the week before the Auction and with Auction clean-up after the event. We will need help with picking up items to take to the church before the event and setting up the Parish Hall. We will also need help after the event to help people take their winning items to their cars, taking down tables, and putting the Parish Hall & Narthex back in order for Sunday's service. Let Kathy Hull know or call Debbie in the office. Thanks for all your help, -your Auction team.
